Establishment and Operation of a Regional System of Fisheries Refugia in the South China Sea and Gulf of Thailand, Report of Monitoring and Validation of Fisheries Data Collection in Fish Landing Centers of Coron, Palawan. Southeast Asian Fisheries Development Center, Training Department, Samut Prakan, Thailand;FR/REP/PH44, 3 p.

**Highlights of Activities:**

1. Upon the arrival on the first day, we proceeded to the landing sites to monitor the sampling together with the two technical enumerators of the project.
2. On the second day, a courtesy call to the Municipal Mayor of Coron, Hon. Mario T. Reyes was conducted together with the Municipal Local Government Officer, Mr. Daniel Florida III. We discussed the purpose of the visit as well as had a brief meeting with the DILG head of the municipality regarding the provisions of the creation of the executive order in Coron.
3. The day after that, we conducted another monitoring for validation at the landing sites for the fisheries landed in Coron. The validation in preparation of the IEC materials that will be given to the municipality where the list of the top 10 catch landed in Coron will be shown.
