SHARING INFORMATION ABOUT THE PROJECT ACTIVITIES IN 2020 IN INDONESIA FISHERIES REFUGIA WEBSITE

The fisheries refugia Indonesian website has been built since 2019; various activities and information obtained from this project are widely disseminated, one of which is through this website. Some of the website contents added during the 1-2 quarter of 2022 include:

1. Documents on fisheries refugia activities in Indonesia have been submitted and published online on the fisheries refugia Indonesia website (<http://fisheries-refugia-indonesia.org>). The list of activities reports between 2019-2022 is uploaded under the “LAPORAN” menu (fig1.) and can be downloaded in pdf format.

The screenshot displays the official website of Fisheries Refugia Indonesia. The header includes logos for UN Environment, SEAFDEC, and GEF, along with navigation links: BERANDA, LATAR BELAKANG, PERENCANAAN, ATURAN, MEKANISME, AWARENESS, LAPORAN, PETA, and KONTAK. The main banner features an aerial view of a boat on the water and the text "Official Website of Fisheries Refugia Indonesia" with the tagline "Establish Fisheries Refugia In Indonesia".

The main content area is titled "LIST OF ACTIVITIES & REPORT IN 2019" and contains a table of activities with "Details" and "Download" buttons for each entry.
