FIA/Cambodia, 2022. Establishment and Operation of a Regional System of Fisheries Refugia in the South China Sea and Gulf of Thailand, Report of Provincial Stakeholder Consultation Meeting On Finalizing The Boundary Of Marine Fisheries Management Area Including Juvenile Grouper Refugia In Kampot Province. Southeast Asian Fisheries Development Center, Training Department, Samut Prakan, Thailand; FR/REP/CAM115, 8 p.

1. Open a meeting

1.1 The provincial stakeholder consultation meeting on finalizing the boundary of marine fisheries management area including fisheries *refugia* in Kampot was organized by Fisheries Administration (FiA) of Cambodia collaborating with Kampot Provincial Hall Administration and Kampot Fisheries Administration Cantonment on 13 December 2022, funded by SEAFDEC/UNEP/GEF Fisheries *Refugia*, under presided by Mr. Pel Kosal, Deputy Provincial Governor of Kampot province.

1.2 The meeting was conducted at Kampot Provincial Hall Administration, which was attended by 26 participants from Fisheries Administration, Fisheries Administration Cantonment in Kampot, Provincial Department of Environment, Provincial Department of Agriculture, Forestry, and Fisheries, Department of Land, Urban, Construction, and Cadastral, Department of Public Works and Transports, Provincial Department of Tourism, Bokor City, local authority, NGO, and community fisheries (see **Annex 1&3**).

1.3 Mr. Pel Kosal, deputy provincial governor and chairperson of the meeting, welcomed the delegation from FiA and all participants from provincial departments involved under provincial hall administration, taking their opportunity to join that meeting today. This meeting purpose today was to discuss finalization of the boundary of MFMA. Therefore, he proposed the meeting to consider FiA's proposal in creating MFMA and verifying its boundary, and then he declared to open this meeting from now.

2. Presentation on Establishment Process of the Marine Fisheries Management Area and Fisheries Refugia

2.1 Mr. Ouk Vibol express thank very much to Deputy Provincial Governor and all participants from provincial departments involved under provincial administration. He informed the meeting that on 08 August 2022, there was a meeting to discuss the establishment of MFMA and juvenile grouper refugia site in Kampot province under presided by Mr. Seng Sereyboth, Kampot provincial deputy governor, with participating from FiA, provincial departments involved, and WEA organization.

2.2 He added that the result of the meeting supported the establishment of MFMA and juvenile grouper refugia in Kampot province with the size of over 8000ha after cutting off the impact parts of development companies such as Tycoon Try Pheap, Ching Kor, and TP Moral. Regarding this, FiA corrected and provided the new boundary of MFMA after collecting three development companies' UTM from provincial department of land management. Thus, he proposed Deputy Provincial Governor and meeting to consider the new boundary of MFMA.

2.3 Chairperson of the meeting expressed thanks to teamwork presenting activities done in the past and proposed the meeting to consider and discuss these issues.

3. Discussion on the New Boundary of the Marine Fisheries Management Area and Development Companies

3.1 Chairperson of the meeting opened a floor for discussion

3.2 Mr. Voeun Seila informed the meeting that he supported the establishment of MFMA based on recommendation of Prime Minister of the Royal of Kingdom of Cambodia advising all provinces located in coastal area to need to prepare MFMA for one place to ensure the sustainability of

fishing and manage fisheries resources effectively. He informed the meeting that recently, there are a lot of dolphins, especially specie of dolphin with white color occurring in that area.

3.3 Mr. Khiev Rithy informed the meeting that FiA corrected the new boundary of MFMA, so he proposed the chairperson of the meeting and meeting to consider this issue.

3.4 Mr. Chan Rith has an idea that he supported the establishment of MFMA because this area is to provide benefits to fishermen, to ensure sustainability of fishing, protect main habitats such as seagrass, coral reef, and mangrove as well as making more and more fish.

3.5 Mr. Kim Nhork informed the meeting that he supported the establishment of MFMA because the establishment of this area is very important in protecting fisheries resources and restoring marine habitat.

3.6 Mr. Phen Bunthorn has an idea that he supported the establishment of MFMA making more and more fish and the Department of Tourism will plan to promote this project dissemination to tourists to enhance living standard of people that area.

3.7 Mr. Len Doeun informed the meeting that he supported the establishment of MFMA contributing to promoting ecotourism.

3.8 Mr. Ouk Vibol informed the meeting that we cut off the part of Companies' impacts from MFMA, so he proposed Chairperson and the meeting to consider and approve the new boundary after spending 4 year to do this working.

3.9 Mr. Sok Chea supported the establishment of marine fisheries management area in Kampot province and agreed the new boundary of MFMA in Kampot as well.

3.10 Chairperson of the meeting has an idea that he supported the establishment of MFMA and supported the new boundary of MFMA.

3.11 After discussion, **Chairperson** of the meeting summarized following meeting results:

1. Supported the establishment of MFMA at Prek Thnaot and Koh Touch communes of Bokor city, Kampot province with the size of over 800ha to ensure sustainable fishing activities and protect effectively biodiversity, and
2. Supported the new boundary of MFMA.

3. Close meeting

4.1. Mr. Pel Kosal expressed thank very much for all participants, especially teamwork from Fisheries Administration, taking their opportunities to join this meeting. Then, he also declared to close the meeting at 5:00pm on 13 December 2022.
