

EAFM is based on
PLAN → DO → CHECK & IMPROVE

The future we want: our vision

- Well-governed fisheries sector
- Abundant fisheries resources
- Healthy environment and habitats
- Increased jobs, profits, and improved economy
- Improved human health and prosperity

A legacy for you, your children, and future generations

- 1. Essential EAFM training package**
- 2. EAFM LEAD (leaders, executives, and decision makers) “tool box”**
- 3. Regional trainers and training institutions**
