FIA/Cambodia, 2021. Establishment and Operation of a Regional System of Fisheries Refugia in the South China Sea and Gulf of Thailand, Internal Consultation Meeting Report with Provincial Department of Land Management, Urbanization Construction, and Cadastral to Finalize the Marine Fisheries Management Area Including Fisheries Refugia in Kampot Province. Southeast Asian Fisheries Development Center, Training Department, Samut Prakan, Thailand; FR/REP/CAM91,7 p.

1. Opening a meeting

- 1.1 Internal consultation meeting with Provincial Department of Land Management, Urbanization Construction, and Cadastral to review and verify the map of marine fisheries management area including fisheries *refugia* in Kampot was organized by Fisheries Administration (FiA) of Cambodia on, funded by SEAFDEC/UNEP/GEF Fisheries *Refugia*.
- 1.2 The meeting was conducted at the Provincial Department of Land Management, Urbanization Construction, and Cadastral in Kampot province, which was attended by 12 participants from Fisheries Administration and Provincial Department of Land, Urbanization Construction, and Cadastral, and NGO (WEA) (see **Annex 1&3**).
- 1.3 **Mr. Leng Syvann** expressed thanks to Deputy Director and Officers from provincial department of land management, urbanization construction, and cadastral, allowing teamwork from Department of Fisheries Conservation, Fisheries Administration and WEA organization have a chance to come a meeting today. He informed the meeting that Fisheries Administration and WEA organization came to join the meeting with Provincial Department of Land Management, Urbanization Construction; Cadastral in Kampot province is to review and verify the development project of companies available in the marine fisheries management area and to want to see official documents of Companies' investment as well. Why it is needed to see these documents based on the meeting results with Kampot Provincial Governor on September 8, 2021 and Deputy Governor of Kampot province on September 23, 2021.
- 1.4 **Mr.Sym Sokchea** welcomed the leader and officer from Department of Fisheries Conservation, Fisheries Administration as well as WEA organization coming to join a meeting with the provincial department of land management, urbanization construction, and cadastral in Kampot province in order to discuss, review, and verify the development companies in the marine fisheries management area. He informs the meeting that generally, the provincial department of land management has done jobs based on relevant departments providing information or data to the department, so far the department of land management did not get any official document from the development project of companies in the marine fisheries management area. He added that he has agreed to protect natural resources. When land has not been registered, it is still managed by the state. He declared to open the meeting from now.

2. Presentation on Development Companies in the Marine Fisheries Management Area

- 2.1 **Mr. Seng Piseth** informed the meeting that there are three development companies, having a plan to invest in the marine fisheries management area including **Ching Kor, Tycoon Try Pheap Companies, and TP Moral Ltd**. He informed the meeting that Ching Kor Company has a plan to invest in the size more than 1000ha, Try Pheap Company covers the size of more than 600ha, and PT Moral Company is in the size of 888ha.

3. Discussion on Development Projects in the Marine Fisheries Management Area

- 3.1 **Miss. Leng Phalla** informed the meeting that **Ching Kor Company** has the size of 640ha based on its investment proposal and **Tycoon Try Pheap Company** has the size of 657ha. Then she requested the provincial department to show official documents for companies' investment.
- 3.2 **Mr. Seng Piseth** answered that those companies have not been registered and the provincial department of land management, urbanization construction, cadastral has not received official papers from investment companies yet.

- 3.3 **Mr. Seng Piseth** informed the meeting that Provincial Department of Land Management, Urbanization Construction, and Cadastral will have a plan to prepare the land use map in Kampot province including main habitats sites such as mangrove forest, sea grass, and coral reef. Thus, he requested FiA to help provide data or information related to these habitats.
- 3.4 **Mr. Leng Syvann** informed the meeting that FiA is happy to work with the provincial department of land management, urbanization construction, cadastral to provide information and data of sea grass, mangrove forest, and coral reef to the provincial department.
- 3.5 **Mr. Sym Sokchea** informed the meeting that the provincial department of land management, urbanization hard to decide how to do this job when there are not any official documents from development companies for investment in the marine fisheries management area, so the provincial department of land management will consider and discuss this issue with provincial hall administration.

4. Close a meeting

- 4.1 **Mr. Sym Sokchea** expressed thank very much for all participants, taking their opportunities to join this meeting and he will consider and discuss this further job with provincial hall administration related to this map. He declared to close the meeting at 5:00pm at the same day.
